

WHITECAD TEK. SAN. VE TİC. LTD. ŞTİ. COOKIE POLICY

This policy has been prepared to inform users visiting the website <https://www.whitecad.com/tr/index.html> ("Website") about our cookie usage principles. This policy explains which cookies we use, the purposes for which they are used, and how users can manage their cookie preferences. In accordance with the law, your personal data related to the cookies used on the Website may be processed by our company as the data controller within the scope explained below.

What is a Cookie?

Cookies are small text files placed on your devices such as tablets, phones, or computers while you use online applications like websites or mobile apps, using tracking technologies such as pixels and gifs ("Cookies"). Through cookies, our servers can recognize your devices and manage functions such as remembering your language preferences, stored usernames, and passwords, as well as managing traffic on the site. Cookies also help us analyze the number and demographics of visitors to our website, enabling us to improve our software to provide you with a better experience and personalize the ads you see during your internet use if you prefer.

Purposes of Personal Data Processing and Legal Basis

Your collected personal data will be processed for the purposes ("Purposes") listed below in accordance with the personal data processing conditions and purposes specified in Article 5 of the Law. Different cookies are used on the Website for various purposes. Depending on the type of cookie used, the data processing purposes and the legal basis under which we rely on the processing of personal data may vary.

Mandatory Cookies: Mandatory cookies are those placed on your device during your visit to the Website and are necessary for the proper functioning of the online services offered. The data processing activities we perform during the use of these cookies rely on the condition under Article 5 of the Law: "It is necessary for the processing of personal data of the parties to a contract, provided that it is directly related to the establishment or performance of a contract."

Performance and Analytical Cookies: Performance cookies allow us to track and analyze the visits and traffic on the Website. With these cookies, we can gather information about which areas of the Website are visited most or least frequently and optimize the Website's traffic. For the data processing activities we conduct during the use of these cookies, provided that you explicitly request the relevant information society service, we rely on the conditions under Article 5 of the Law: "It is necessary to process data for the legitimate interests of the data controller, provided that it does not harm the fundamental rights and freedoms of the relevant person," and "It is necessary for the processing of personal data of the parties to a contract, provided that it is directly related to the establishment or performance of a contract."

If you do not explicitly request the relevant information society service, we rely on your explicit consent for the data processing activities carried out during the use of these cookies and third-party analytical cookies.

Functionality Cookies: Functionality cookies are necessary for providing certain functions on the Website and remembering your preferences. Functionality cookies are used to remember your language preference or save your settings regarding cookie usage. For the data processing activities we conduct during the use of these cookies, we

rely on the conditions under Article 5 of the Law: "It is necessary to process data for the legitimate interests of the data controller, provided that it does not harm the fundamental rights and freedoms of the relevant person," and "It is necessary for the processing of personal data of the parties to a contract, provided that it is directly related to the establishment or performance of a contract."

If you do not explicitly request the relevant information society service, we rely on your explicit consent for the data processing activities carried out during the use of these cookies and third-party analytical cookies.

Targeting and Personalized Advertising Cookies: Targeting and personalized advertising cookies are used to provide you with personalized product and service promotions based on your viewing history and visitor profile, both on the Website and outside it. For the data processing activities we conduct during the use of these cookies, we rely on your explicit consent under Article 5 of the Law.
